Re: United States v. Yulin Wu
08 Cr. 441 (JFK)

Dear Judge Keenan:

MEMO ENDORSED

The above-referenced matter is scheduled for a pre-trial conference on Monday, June 23, 2008, at 2:30 p.m. Since our last appearance before Your Honor, the parties have discussed a possible disposition of the case in lieu of trial, and those discussions are ongoing. Given the status of those discussions, and the fact that at the conference scheduled for June 23, the parties would in essence ask the Court for additional time to continue those discussions, the Government and defense counsel jointly request that the Court adjourn the conference for a period of approximately 30 days, until some date during the week of July 21, 2008 or thereafter. Such an adjournment will permit the parties to continue their discussions regarding a possible disposition of the case. The Government also respectfully requests, with the consent of the defendant, that time be excluded under the Speedy Trial Act from the date of this letter until the adjourned conference date, in order to permit the parties to continue discussions regarding a disposition of this matter.

Application Granted
The matter is set down
